BLADE

MEMBRANE PROGAMING KEYBOARD

sharp as a knife!

Blade is the new addition to the Ozone´s keyboard family, designed to enhance gaming experience and bring the game to the top.

A stylized and aggressive design with back-lighted keys combined with many gaming features makes Ozone´s Blade **a complete gaming weapon sharp as a knife.**

The 128Kb on board memory together with the software included allow the user to fully customize the keyboard **saving up to 50 macros and five different profiles.**

MEMBRANE PROGAMING KEYBOARD

JUAN "VORTIX" MORENO
(SPAIN)

#1 ESL Pro Series IX
#1 THOR Open 2012
#2 World Championship Series EU
#3/4 Intel Extreme Masters Singapore

"After testing Ozone´s Blade I can say that it´s one of the best membrane keyboards that I´ve ever tested. Its 1000Hz Polling rate to ensure 1ms response time is essential for competitions.
It also incorporates many gaming features and a very attractive design which is really useful in low light conditions"
- VortiX

HOT FEATURES

LIGHT INTENSITY CONTROLLER
Blade´s multilevel adjustable brightness allow you to control the light intensity on-the-fly. Get the more of your gaming experience even in low lighting conditions.

MULTIMEDIA KEYS FUCNTION
Whether it's audio or video you can control volume, mute and other audio functions with the instant access media keys.
